??WHY MICROFICHE??

A question often asked in these days of Computers and the Internet. It is a fact that Fiche are still the cheapest way of obtaining Family History data. "But I don't have a Fiche Reader", I hear you say. Neither do I, but all Record Offices, Main Libraries and Family History Centres do. That's where we used to read our fiche. Perhaps you should think again about the "Old Fashioned" methods – and save yourselves a bit of cash.
